About me

Driven by a passion for technology and user experience, my goal is to make people's everyday lives **easier** through spot-on storytelling, turning technical limits and requirements into **opportunities**, and **collaborating closely** with professionals and stakeholders.

New experiences motivate me beyond work: I pursue writing, film photography, and creative projects.

Professional experience

UX designer @ Crispy srl
March 2022 – September 2025, Marostica (Vicenza, Italy)

At Crispy I collaborated with companies of various industries and sizes, particularly in banking, insurance, and large-scale retail.

Main activities:

- wireframing UX solutions based on business requirements, also supporting UI design
- defining strategies for optimal UX research
- conducting user testing through remote tools (Useberry)
- performing heuristic analysis of existing interfaces
- conducting desk research, including benchmarking and scouting
- mapping customer journeys

Graphic design post-graduate internship @ Nuova Grafotecnica snc
September 2020 – March 2021, Casalserugo (Padua, Italy)

- designing various layouts (flyers, magazines, posters)
- building a WordPress website
- editing and preparing images for web and social media use, creating illustrations and vector graphics

Graphic design curricular internship @ Proget type studio snc
March 2019 – May 2019, Casalserugo (Padua, Italy)

- creating layouts, flyers, and logos
- designing displays for footwear

Education

Professional course in User Experience Design @ Talent Garden Milan
November 2021 – February 2022, Milan

Bachelor's degree in Industrial Design and Multimedia @ IUAV University of Venice, grade: 108/110
2016 – 2019, Venice

Scientific High School Diploma in Applied Sciences @ Mattei Institute
2010 – 2015, Conselve (Padua, Italy)

Other experiences

European volunteering in a rural ecovillage@ YamoChori
September 2026, Makra Logka (Agrinio, Greece)

- restoring and maintaining mountainous pathways
- applying eco-building techniques for outdoor buildings
- managing community living tasks

European volunteering in a rural youth centre @ Metsäkartano
May 2026 – July 2026, Rautavaara (Kuopio, Finland)

- guiding summer camp and youth exchange activities (canoeing, hiking, archery, wilderness skills, workshops)
- supporting facility and gear maintenance

European volunteering in an artists' residency @ Sansusī
December 2025 – February 2026, Aknīste (Jēkabpils, Latvia)

- managing an artists' residency and carrying out ordinary maintenance
- leading art related activities within the local community

Warehouse worker @ Clesp srl
July 2018 – September 2018, Padua (Italy)
